Effective October 3, 2017, Federal law provides important protections to members of the Armed Forces and their dependents relating to extensions of consumer credit. In general, the cost of consumer credit to a member of the Armed Forces and his or her dependent may not exceed an annual percentage rate of 36 percent. This rate must include, as applicable to the credit transaction or account: The costs associated with credit insurance premiums; fees for ancillary products sold in connection with the credit transaction; any application fee charged (other than certain application fees for specified credit transactions or accounts); and any participation fee charged (other than certain participation fees for a credit card account). Call 1-888-675-6332 for recorded information.

How Will We Calculate Your Balance: We use a method called "average daily balance (including new transactions)."

How We Calculate Variable Rates: If your account is subject to a Finance Charge, your ANNUAL PERCENTAGE RATE may vary. Your Rate on purchases is determined by adding 8.42% for Classic or 5.92% for Platinum to the "Prime Rate" published in the Wall Street Journal under the "Money Rates" subsection on the last business day of each month.

Important Information About Procedures for Opening a New Account: To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account. What this means for you: When you open an account, we will ask for your name, physical address, date of birth and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

Credit Review and Reporting: You authorize us to obtain consumer reports on you from consumer reporting agencies for any lawful purpose, including any update, extension of credit, review, or collection of your account. We can do this from time to time while your account is open and after it is closed (if you owe us any money). If you request, you will be informed whether any consumer report was requested and if a report was requested, the name and address of the consumer reporting agency furnishing the report.
