¹ The Prime Rate used to determine your **ANNUAL PERCENTAGE RATE** is the Rate published in the Wall Street Journal under the "Money Rates" subsection on the last business day of the month. If the closing date of the billing cycle is not a business day, then the first business day following the closing date of the billing cycle is used.

² A **Finance Charge** will be imposed on cash advanced from the date made, or from the first day of the billing cycle in which the cash advance is posted to your account, whichever is later, and will continue to accrue on the unpaid average daily balance of such cash advances until the date of payment if paid during the same billing cycle, or until the closing date of the billing cycle, or until the closing date of the cycle preceding the date on which the entire New Balance is paid in full or until the date of payment if more than 25 days from the closing.

³ If your account is or becomes more than 60 days past due at any time, or is otherwise in default in regard to any provision of the **Visa Business Card Agreement**, we may immediately increase the rate to a "Monthly Periodic Rate" of 1.75% (which is a corresponding ANNUAL PERCENTAGE RATE of 21%) effective with the first day of the next billing cycle of your account.

⁴ **The Finance Charge** for a billing cycle is computed by applying the monthly Periodic Rate to the average daily balance of Credit Purchases, which is determined by dividing the sum of the daily balances during the billing cycle by the number of days in the cycle. Each daily balance of Credit Purchases is determined by adding to the outstanding unpaid balance of Credit Purchases at the beginning of the billing cycle any new Credit Purchases posted to your account, and subtracting any payments as received and credits as posted to your account, but excluding any unpaid **Finance Charges**.

How Will We Calculate Your Balance: We use a method called "average daily balance (including new transactions)."

How We Calculate Variable Rates: If your account is subject to a Finance Charge, your ANNUAL PERCENTAGE RATE may vary. Your Rate on purchases is determined by adding 6.92% to the "Prime Rate" published in the Wall Street Journal under the "Money Rates" subsection on the last business day of each month.

Instructions for Completing Certification of Beneficial Owner(s) Form

What is the purpose of this form?

To help the government fight financial crime, Federal regulation requires certain financial institutions to obtain, verify, and record information about the beneficial owners of legal entity customers. Legal entities can be abused to disguise involvement in terrorist financing, money laundering, tax evasion, corruption, fraud, and other financial crimes. Requiring the disclosure of key individuals who own or control a legal entity (i.e., the beneficial owners) helps law enforcement investigate and prosecute these crimes.

Who has to complete this form?

This form must be completed by the person opening a new account on behalf of a legal entity with any of the following U.S. financial institutions: (i) a bank or credit union; (ii) a broker or dealer in securities; (iii) a mutual fund; (iv) a futures commission merchant; or (v) an introducing broker in commodities.

For the purposes of this form, a legal entity includes a corporation, limited liability company, or other entity that is created by a filing of a public document with a Secretary of State or similar office, a general partnership, and any similar business entity formed in the United States or a foreign country. Legal entity does not include sole proprietorships, unincorporated associations, or natural persons opening accounts on their own behalf.

What information do I have to provide?

This form requires you to provide the name, address, date of birth and Social Security number (or passport number or other similar information, in the case of Non-U.S. Persons) for the following individuals (i.e., the beneficial owners):

- I. Each individual, if any, who owns, directly or indirectly, 25 percent or more of the equity interests of the legal entity customer (e.g., each natural person that owns 25 percent or more of the shares of a corporation); **and**
- II. An individual with significant responsibility for managing the legal entity customer (e.g., a Chief Executive Officer, Chief Financial Officer, Chief Operating Officer, Managing Member, General Partner, President, Vice President, or Treasurer).

The number of individuals that satisfy this definition of "beneficial owner" may vary. Under section (Beneficial Ownership Information), depending on the factual circumstances, up to four individuals (but as few as zero) may need to be identified. Regardless of the number of individuals identified under section (Beneficial Ownership Information), you must provide the identifying information of one individual under section (Control Person Information). It is possible that in some circumstances the same individual might be identified under both sections (e.g., the President of Acme, Inc. who also holds a 30% equity interest). Thus, a completed form will contain the identifying information of at least one individual (under section (Control Person Information)), and up to five individuals (i.e., one individual under section (Control Person Information) and four 25 percent equity holders under section (Beneficial Ownership Information)).

The financial institution may also ask to see a copy of a driver's license or other identifying document for each beneficial owner listed on this form.
